Phone: 954-771-1652 Saturdays: 954-315-4310 www.creationstudies.org

<p><b>August 2</b></p>	<p><input type="checkbox"/> <b>Communication</b></p> <p><b>Nightmares</b></p> <p><b>10:00 am-11:30 am</b></p> <hr/> <p><input type="checkbox"/> <b>Star Party</b></p> <p><b>9:00pm-11:00pm</b></p>	<p>Experience the communication nightmare that took place at the Tower of Babel which changed civilization. Given a plan, each group of participants constructs a building with popsicle sticks. Communication will be difficult since there will no talking allowed. Compare structures. Was there information lost in the construction? Did it affect the strength of the structure?</p> <p><b>Activity \$15.00 per Family</b></p> <p>The heavenly lights give us a sense of wonder and mystery as we look up into the night skies. Come and see first hand how God has revealed Himself as the "God of order and design" in the vast and never ending cosmos</p> <p><b>Special Program \$20.00 per Family</b></p>
<p><b>August 9</b></p>	<p><input type="checkbox"/> <b>It's Electrifying</b></p> <p><b>1:00-2:30 pm</b></p>	<p>Check out this electrifying experience! Build circuits, discover the flow of electricity, and construct a flashlight for use during storm black outs. Get charged up and electrified with this shocking workshop!</p> <p><b>Activity \$15.00 per Family</b></p>
<p><b>August 16</b></p>	<p><input type="checkbox"/> <b>God's Underwater World</b></p> <p><b>1:00-2:30 pm</b></p>	<p>Explore God's Underwater World with Tec Clark, Director of Reef Ministries . His presentation will explore God's creation of coral reef ecology and the diversity of life found there</p> <p><b>Special Program: \$20.00 per Family</b></p>
<p><b>August 23</b></p>	<p><input type="checkbox"/> <b>Dynamic Dinos</b></p> <p><b>10:00 am-11:30 am</b></p> <hr/> <p><input type="checkbox"/> <b>Florida Wildlife</b></p> <p><b>1:00-2:30 pm</b></p>	<p>Grab your Indiana Jones hat and join us on a learning safari to the prehistoric world! Students will investigate dinosaurs and fossils assimilated by CSI at the museum.</p> <p><b>Activity \$15.00 per Family</b></p> <p>Veterinarian, Scott Mc Owen, member of the Board of Directors and Animal Care Administrator for the Sandoway House Nature Center in Delray Beach will share his expertise on Florida's native wildlife. Discover who is living in your backyard!</p> <p><b>Special Program: \$20.00 per Family</b></p>
